Building Business Community Resilience
in the Blue Mountains

Are you a Blue Mountains business person wanting to 'think differently' about getting your business ahead of future disasters?

Here's your opportunity to be part of the development of a new business resilience capability building tool. We are focusing Business Tourism and the opportunities this can provide. Scan the QR code below and submit your details to present a Module for the Tool, be an Early Tool Tester or receive updates on upcoming events and the launch.

PRESENT A MODULE FOR THE TOOL

Seeking 16 local business people ready to promote their story by recording a co-scripted 2-4 minute video.

BE AN EARLY TOOL TESTER

Seeking 10 local business people to get early access to give feedback and test the tool before it goes live in late 2022.

REGISTER FOR PROGRAM UPDATES

Scan the QR code below to register for updates on the Resilient Ready Hub: Blue Mountains project and release.
