

Train your people as resilient ready leaders

Building a culture of resilient ready people is vital for any organisation to thrive.

Disaster resilience and preparedness can be considered complex and dull.

Our Resilient Ready specialists provide comprehensive training to build everyone's knowledge, no matter their level of experience or interest.

This can include:

- ◆ executive coaching
- ◆ team coaching
- ◆ workshop facilitation
- ◆ keynote speaking
- ◆ lunch and learn sessions
- ◆ simulation exercises

We deliver onsite or online training to CEOs and Executive Teams, employees, members, customers, suppliers and Boards.

Common themes include:

- ◆ 4Ps to building a resilient ready organisation
- ◆ risk reduction is the new must have capability
- ◆ why people are the foundation of resilience
- ◆ shared responsibility: what's my role?
- ◆ 10-steps to helpful disaster giving
