

## Building Business Community Resilience in 2022

**108**

Helped businesses across 108 communities within 26 local government areas to build their resilience.

Worked across 3 states in NSW, SA and QLD to deliver resilience programs to local business communities.

Co-authored 1 White Paper with disaster experts Daniel Aldrich and Val Ingham.

Engaged 6 local people as part of our Resilient Ready team on grant-funded projects to build local knowledge and skills.

Created 30 micro-learning modules with local steering groups for small to medium business people.

Welcomed 400+ local businesses into our BCR Toolkit program to build community resilience.

**400+**

Donated more than 200 hours to accelerate local business community projects.

Presented our resilience approach at 10+ disaster, emergency and business events.
