

Business Beyond Disasters program Northern Rivers

FREE training program to build resilience in all Northern Rivers businesses and non-profits

Are you a business or non-profit owner, operator or employee trading in the NSW Northern Rivers region?

This FREE 10-week program will help you to set you, your business and your community up to do business beyond disasters.

If the thought of getting your business or non-profit resilient and ready seems too complex, expensive or time consuming - this is the program for you!

We'll help you think different and do different before, during and after disasters.
